### Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1961, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net overdraft of appropriations of \$1,965.94, less a revenue surplus of \$1,489.68, resulted in a net budget deficit of \$476.26.

### Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1961, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1961, is indicated in Exhibit B-2.

### AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and

totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

#### GENERAL COMMENTS

##### Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased by \$386.00, from \$12,388.83 to \$12,002.83, during 1961, as shown herewith:

	<u>Dec. 31, 1960</u>	<u>Dec. 31, 1961</u>
<u>Total Assets</u>	\$ 43,584.57	\$ 66,660.51
<u>Current Liabilities</u>	<u>31,195.74</u>	<u>54,657.68</u>
<u>Current Surplus</u>	<u>\$ 12,388.83</u>	<u>\$ 12,002.83</u>

##### Overdraft of Appropriations and Application of Municipal Budget Law:

It is noted that in the fiscal year ended December 31, 1961, there was a net overdraft of appropriations amounting to \$1,965.94. In other words - total expenditures exceeded total appropriations by this amount.

In accordance with the provisions of the Municipal Budget Law (R.S.A. Chapter 32), application was made to the Tax Commission by the Board of Selectmen, with the approval of the Budget Committee, for a certificate of emergency authorizing expenditures in excess of budgetary appropriations in an amount not to exceed \$4,000.00. This authority was granted by the Commission on December 14, 1961.

##### Surety Bonds:

The surety bond of the Town Treasurer should be increased from \$10,000.00 to \$15,000.00, and the bond of the Town Clerk from \$1,000.00 to \$2,000.00, in order that the amount of the bonds may be commensurate with the amount of funds handled by these officials.

##### Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Allentown for their assistance during the course of the audit.

Yours very truly,

December 17, 1760

The Propriators deeded to Jacob Gay 49 acres, on December 29, they deeded to Andrew Buntin 49 1/2 acres, made agreeable to a survey by Walter Bryant in 1760, wherein he paid but little attention to the layout of the Suncook Propriators. The boundaries were as follows; Gay's land, beginning at ye Contry Road at ye South East Corner of Sam'l Gault possession and runs west about 91 rods yn South 18 rods, yn west about 40 rods to Chester line, yn East South East about 100 rods to land in possession of Wm. Knox, then by his possession East about 40 rods to where it began. 29 acres 44 links.

Andrew Buntin's land begins at Cochran's bridge, and runs south 42 rods West 24 Rods by ye road yn on by ye sd Road South west 57 rods to land in possession of Robert Buntin, yn west 123 rods to Bow line yn by sd Bow line North East 82 rods to Suncook River yn by sd Suncook River to ye Bridge where we began. By Walter Bryant.

As will be noticed those boundaries fixed the location of the first bridge and the first road laid out by the Suncook Proprietors, through this part of their territory.

It is not known whether Wm. Knox and Robert Buntin who, the Masonian proprietors say had land in their possession, ever purchased these lands of the Masonian proprietors, or not, as no deeds to that effect have been found recorded.

State of New Hampshire

To the Honble the Senate and House of Representative in General Court Convened the 14th day of June A. D. 1786, The petition of the Selectmen of Allenstown in the County of Rockingham, Humbly Showeth That said Allenstown in the year 1781 was called upon by the Authority of said State to raise one man to serve in the Continental Army Three years or during the War between Great Britain and the United States of America at which time it was supposed by said town that there was then serving in the Army aforesaid a man for said town which if it had been true would have prevented said Demand, but on trial before the Committee of Safety it was determined against them, by means whereof said town lost a large sum of money which was paid him for engaging as aforesaid, Your Petitioners afterwards hired one Samuel Kenniston and went with him to the Muster Master, who informed them that a few days before he was ordered not to Muster anymore, since which an Extent hath been issued against the Select Men of said town by the Treasurer for Seventy two pounds twelve shillings and is in an officer hands to execute - As the said Town has ever procured their quota of Men during the late War the but an handful compared with the greatest part of the towns in the State, and were unfortunately deprived of a Man they supposed that they had a right to and who they paid for his Services, beg this Honble Court would take their Case under their consideration and relinquishe the whole or part of said sum. And your Petitioners as in duty bound shall ever pray.

Petition for Justice of the Peace

State of New Hampshire, Rockingham ss.

To his Excellency John Sullivan Esq. for said State - Humbly shows that the inhabitants of Allenstown in said State - That your Petitioners the small in numbers consider themselves entitled to Common Privileges with other Towns in general in said State, That Ever since the settlement of said Town, the inhabitants thereof have been destitute of a Civil Magistrate to transact the necessary business of said Town and have been obliged annually to apply at least six miles and some times more distance from said Town to a magistrate to qualify Town Officers, and frequently upon other business which proves very inconvenient, and as they humbly conceive that there is a Person who is a reputable free holder in said Town well qualified to sustain such a Commission and the most likely to give general satisfaction as a Magistrate, therefore humbly pray that Capt. George Evins may be appointed a Justice of the Peace in and for the County aforesaid and your Petitioners as bound.

Robert Bunten, Samuel Webster Junr., John Hayes, Samuel Kinstone, Philip Sargent, Nathaniel Smith, Clement McCoy, Zablen Davies, Garshen Dugan, Daniel Davies, Josiah Johnson, Ichabod Clark, Ede Hall Burgin, Riley Smith, Charles Bamford, Samuel Fisk, his mark, Roger Dugan, Samuel Rowe, Leonard Harrington, Hall Burgin, Joshua Allen, Samuel Kinneson, Jacob Gay, James Kinniston, Samuel York, John Trefethen, John Tomsen, John Jensen, Moses Leavitt, Jeremiah Jensen, John Robinson and Frank Lucas.

## AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook - yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness - our carelessness. This, we - you - and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations - hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you -

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

## ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

Six months as superintendent of Union #53 is hardly enough to evaluate either the Union as such or the separate towns. Accordingly, this report will be brief.

First of all, no stone should be unturned to see that the new school and all that goes with it becomes a reality in time for the opening of school. It is regrettable that additional money is necessary to complete the project but it may well be that new schools of small size no longer will be built at \$12 a square foot. Whatever happens in the future will find Allenstown with a solid base with a good elementary building and educational program. It will also have a valuable asset if and when co-operative schools are again discussed either at the junior or senior high school levels or with grades 1 - 12.

Along with other districts around Concord and Manchester, Allenstown should be in a more competitive position when hiring teachers. We can not be expected to pay as high maximums as cities but we must pay as much for beginners when they are qualified. Even with good beginning salaries it may not be possible to fill every position with qualified teachers since the demand is so great but a good salary is a step in the right direction.

Tuition at Pembroke Academy will be \$445 next year (State Average - \$457). Tuition at the Academy and elsewhere may be expected to increase when salaries increase and when new buildings are required. In an area where population is increasing it is very difficult to estimate the tuition item. A change of two pupils now means roughly \$1,000 one way or another.

Your support of the schools is appreciated and we look forward to the opening of the new school.

Respectfully submitted,

C. Maurice Gray
